

## CANTEEN ROSTER FORM

The canteen caters for approximately 1100 staff and students and relies heavily on volunteer assistance. For successful operation we require at least four (4) helpers per day. Volunteers who can come in between 8:30am and 9:30am for sandwich making are also very welcome. Please complete this form if you are available to be placed on our roster. Any assistance at all is greatly appreciated.

For the students and staff, the St Peter's Canteen, which has Gold Accreditation from the NSW Canteen Association, offers a wide choice of healthy food. For the helpers, it offers a happy, friendly working environment and a chance to meet other parents from the College.

Would you please indicate below what day and timeslot is the most convenient. Your consideration in advising us in advance if you are unable to make your rostered day would be appreciated.

We look forward to welcoming you to our College Canteen. Morning tea, lunch and refreshments are provided to all volunteers.
