Important Dates - 20

ANNOUNCEMENT

**WE HAVE A
NEW PHONE
NUMBER**

St Peter's phone system is currently being upgraded to a cloud-based phone system, resulting in a change to our phone number.

Calls coming through the current school phone number will be redirected to the new number for a short period of time before the number is cancelled at a later date.

St Peter's contact details will be updated in all school communication channels over the coming weeks.

We encourage you to update the school contact details in your devices as soon as possible to avoid confusion. We appreciate your support as we transition to this new phone system.

7256 2125

MESSAGE FROM THE PRINCIPAL

Farewell Mr Hopley!

It is with great sadness for the entire school community that we farewell Mr Hopley this week. Mr Hopley has made the decision to step out of his position at St Peter's in order to care for his family who need him at this time.

Mr Hopley has had a very long association with the college, being a student here himself and then returning a few times in various teaching positions. Most recently, Mr Hopley started as Religious Education Co-ordinator in Term 4 2016, a position he held until the end of 2021 when he was appointed Assistant Principal – Evangelisation and Catechesis.

Mr Hopley has been amazing support to myself and the entire community over his time at the college. He has worked to strengthen the Catholic identity of the college with increased opportunities for mass and worship for students, especially at classroom level. As a faith-filled man, he has continually lived his own Catholic identity and role-modelled this for the entire community.

Mr Hopley has been instrumental in our college enrolment committee and has interviewed and welcomed more new families to the college than any other individual staff member. Families always report the positive and welcoming experience they received after their initial enrolment interview with Mr Hopley.

In the area of wellbeing, Mr Hopley has supported an amazing number of students, staff and families. He has always been quick to pick up the phone and address any issues in a timely and supportive manner. He is a humble and courageous leader who competed hours upon hours of work behind the scenes with the betterment of the college community constantly at heart.

I wish to extend my deepest gratitude to Mr Hopley for his unwavering commitment to the college, the realisation of our college vision and the loyalty and dedication which he has always demonstrated to myself and the leadership team.

Steve, on behalf of everyone at St Peter's, we offer our prayers of thanks and support as you take this time to care for your family. We wish you every happiness in wherever your future leads you. You will be fondly remembered by all and very sadly missed.

Thank you Steve!

To everyone in our community I wish you a safe and happy holiday. I hope you have the opportunity to spend some valuable time with friends and loved ones. I look forward to seeing everyone back next term.

Tim Hildebrandt
Principal

Thank you and

FAREWELL

THANK YOU ST PETER'S AND FAREWELL

I would like to thank the entire community of St Peter's Catholic College for the last seven years. I will be finishing this week and with a heavy heart I wish all of you the absolute best wishes for the future.

The support of the Religion Faculty particularly Leanne Glassock, Annette McLean and Michael Tobin as well as Tracey Di Giuseppe and the front office team has been invaluable.

Likewise, the Leaders of Learning, Leaders of Wellbeing and College Executive and my fellow Assistant Principal, Roisin McVeigh have been a pleasure to work with during my time at St Peter's.

Lastly, I would like to acknowledge Tim Hildebrandt's excellent leadership. He is a true gentleman, a fine scholar, and a great Principal. He has led this school with humility and integrity on a tremendous journey of success and improvement.

Farewell and God Bless

Steven Hopley

Assistant Principal - Evangelisation & Catechesis

A prayer for you

Steve, as you go, we pray the new horizon that lies before you will bring you happiness and a wholeness of heart. As you go, we pray your life will be a life of fullness, contentment and grace.

As you go, we pray that Christ will be by your side each step of the way; we pray he will continue to shine his light on life and as you go, remember this, you are treasured, you are loved, and you will not be forgotten.

So, Steve, we leave you with a little Irish blessing.

Farewell ye lovely Steven, farewell ye for a while for every time we will think of you, we will think of you and smile.

Roisin McVeigh

STUDENT ACHIEVEMENT AND ST PETER'S

Semester 1 has been a big one for students, parents and staff alike, with assessments, NAPLAN, Minimum Standards and in class tests. We dove into the year with PAT Testing for our junior years and Year 11 and 12 have ploughed through their Preliminary and HSC assessments and have excelled in the sporting arena. As a school we need to pat ourselves on the back, we have not only made it to mid-year but we have done so with flying colours!

School Uniforms

A letter will be going home to you tomorrow, Thursday 29 June, via Compass, outlining our uniform expectations and requirements in line with the College Uniform Policy.

I would be grateful if you would take some time to read this letter and support us as we maintain our high standards of presentation.

5-Minute Clean Up Bell

I have been in several school settings and can say with all conviction that I have never been in one so beautiful. Our grounds are tirelessly maintained and complement the natural surroundings that envelop our college.

Unfortunately, litter is increasingly becoming an issue. I want to inform you we will be implementing a 5-minute clean up bell at the end of Break One so that students have time to put their rubbish in the countless bins located around the college.

An assembly will be held to inform students of this new practice, which will commence in Term 2, Week 2.

As always, thank you for entrusting your child into our care.

God Bless

Roisin McVeigh and Seamus
Assistant Principal - Student Achievement

The earth and all life on it are part of God's creation. We are called to be guardians of this beautiful land.

Care for our Common Home

WELLBEING @ ST PETER'S IN 2023

The School Holidays are often a time when our morning routines are impacted by later bedtimes and sleeping in. While this is important for adolescents to have freedoms to make some decisions for themselves it is also just as important to try to get back into the usual routine prior to coming back to school.

The same can be said about gaming, spending all day or all-night playing games online can be detrimental to mental health and has become a recognised addiction. Monitor your child use of technology and put limitations around their use if you are concerned.

If you need support in the holidays:

- Headspace: ph:(02) 4394 9180
<https://headspace.org.au/>
- Lifeline: ph:13 11 14 <https://www.lifeline.org.au>
- Kids Helpline: ph:1800 55 1800
<https://kidshelpline.com.au>
- Mental Health Line: ph: 1800 011 511
<https://www.cclhd.health.nsw.gov.au/services/mental-health/>
- Gaming addiction: <https://resataus.com/>

Ways to stay mentally healthy:

- Our faith can be a powerful reminder to be grateful for the good things in your life, and to have hope for the future.
- Spending time outdoors is proven to boost mental and physical wellbeing in many ways, from absorption of Vitamin D to helping offset depression.
- The best things in life are free; a social bike ride, walking and a picnic are great ways to get moving and enjoy being together as a family.
- A family board game night after dinner, is a great way to reconnect as a family and enjoy each other's company.
- If you can't get away this holiday, pitching a tent and sleeping outside is a scientifically proven method of resetting circadian rhythms. Don't forget to rug up!

Candice Little and Owen 

Director of Wellbeing

TUNING IN TO TEENS

Parenting Program

A FREE six week program for parents and carers of young people aged 10-18 years old.

Tuning in to Teens helps parents teach their teenage children to control, understand and express their emotions in healthy ways.

The program offers tools to recognise, understand and respond to teenage emotions, and helps parents manage their own.

STAGE 4 NEWS - THAT'S A WRAP ON TERM 2

The last weeks of Term 2 has seen Year 7 and 8 sitting Semester examinations and completing Assignments in readiness for their much-anticipated first reports (Year 7) for High School.

The Broken Bay Primary School Soccer Gala Day at Adcock Park saw 15 of our Year 7 and 8 students representing St Peter's in the community by volunteering to referee on the day and from all reports made the school proud.

On Wednesday 21 June, 10 students from Year 7 and 8 had the opportunity to experience a piece of cultural heritage and connect with the wider Aboriginal Community by travelling down to the Opera House to attend the Bangarra Dance Company performance. The students and staff thoroughly enjoyed the experience and look forward to their next production.

On 15 June the Under 14s Boys contested the Central Coast Rugby League Grand Final and travelled to Kincumber High School. The Under 14s Rugby League team has shown they are a force to be reckoned with claiming the title of Broken Bay Champions.

On Tuesday 20 June the Year 7/8 Oz Tag Girls' and Boys' teams competed in the Central Coast All Schools Oztag competition with the Girls' team progressing through to the state finals, a fantastic result.

The same team of Year 7/8 Girls finished third overall in the Central Coast/Hunter All Schools Touch Football knockout a couple weeks earlier and were amazing, just missing out on progressing to the state finals.

On Thursday St Peter's will be held where there will be fun games and activities to appeal to all along with One World where dishes from around the world will be sold. Please bring a gold coin donation for entry as well as monies for activities and food.

Have a safe, relaxing and fun filled holiday!!

*Tony Brosnan, Megan Smith
& Sue Briggs*

STAGE 5 NEWS - THAT'S A WRAP ON TERM 2

And that's a wrap on Term 2.

Halfway through the school year already. We want to say congratulations to all of Stage 5 for the way you have gone about this term so positively.

Year 9 Camp

Year 9 Camp is nice and early next term- taking place during Week 4 from Monday 7 August to Friday 11 August 2023.

Student choices have now been finalised and we will conduct camp assemblies early Term 3 to answer anything that isn't clear

and to give each group more individualised information about each location and camp.

We urge all students and their families to check Compass for updates on the event forms/ permission notes.

Parents should be able to provide permission and see whether you have filled in the necessary forms and paperwork for each camp.

Camp permission forms, medical forms, supplementary paperwork activity lists and PACKING lists are available to you on COMPASS.

Please check the event form for your child's camp.

If you are not sure where this is, or can't seem to find it, please check in early next term and we can point you in the right direction.

You should also make sure that you pack according to specific instructions; it's winter (so it will definitely be cold) and you want to make sure you have all the layers you need for the week- rain, hail or shine, camp goes ahead!

So better to be prepared.

Year 10 Subject Selections

Subject Selection evening seemed to be a positive experience for all. It was great to see so many students and their families participating in the experience and involving themselves in the process to make the best decision for Stage 6.

Subject choices will be due at the end of Week 1 next term (students must submit via the Edval link they received on their emails) - so if there is still any lingering questions or hesitations, or simply are still unsure, please make sure you contact Mr Lomax, Miss Moroney or Mr Stretton. We're more than happy to try and clarify things for you, and if we don't know ourselves, at least we can point you in the right direction.

Happy Holidays

Just a small reminder to make sure you're nice and prepared for your return next term- get that uniform ready to go and make sure you're stocked up with books and pens if you need them.

We want to wish all our students a safe and holidays. Hopefully everyone comes back refreshed and enjoys their rest!

Czes Lawicki, Andrew Lomax & Jessica Moroney

STAGE 6 NEWS - WHAT A BUSY TIME FOR ALL!

A busy, industrious, challenging and hopefully... fun and rewarding term 2 for all at the stage 6 end of the school.

What's been going on?

Assessments and exams, reports, parent teacher meetings, representative sports, rewards assemblies, sports assemblies, after school classes, morning classes, homeroom visits, daily prayer, college leadership, approaching Trial HSC, new Careers Co-ordinator and VET Co-ordinator, the RYDA driving course, the return of Ms O'Keeffe (Yay), freezing mornings, bake sales, new kitchen facilities, table tennis, senior jackets and the winter sleepout (). I could really go on, and on and on!

Each new day brings a new challenge to overcome and one of the joys of teaching is to watch the senior students slowly become adults and cope with the massive expectation that comes with doing the HSC.

When the year started the senior playground was very divided. Year 12 talking to Year 12 and Year 11 talking to Year 11. Over time this has changed and it's been fantastic to see the mingling of the year groups. What a joy to see new friendships develop and life long bonds formed. These new friendships will be helpful with the challenges to come.

A period of MASSIVE transition approaches. For Year 12, the final (yes final!) term of school ever and for Year 11 the realisation that they are it. They are the leaders and set the course for the rest of the students to follow.

Year 12 should be spending these holidays grinding out the study notes because the trial HSC starts very soon. Likewise Year 11 should be thinking about the looming HSC year. Lots to look forward to!

On behalf of myself, Ms O'Keeffe, Mr Beavis and Mr Scott I'd like to thank each and every student for their hard work and effort this term. Have a brilliant last week and enjoy the festivities on St Peter's Day!

*Michelle O'Keeffe, Adam Beavis
& Mitchell Dryden*

MATHEMATICS IN THE REAL WORLD

talk money

with

Ecstra Foundation

Talk Money

In Week 7, Year 7 and 10 students participated in a Talk Money presentation by the Ecstra Foundation.

The Year 7 presentation focused on spending and saving choices and how decisions now can affect future finances. Students were supported to manage influences on saving, spending and payment options and how to align spending choices with their goals, values and beliefs.

The focus of the Year 10 presentation explored ways to make money to help build financial independence and how to navigate the workplace including understanding their rights at work and managing superannuation and tax.

Feedback from the students was positive and they reported an increased knowledge on topics including savings, spending influences and managing tax and super.

Teresa Mitchell

Year 12 Advanced Mathematics Excursion

A few weeks ago, Miss Milne took girls from Year 12 Advanced Maths down to the University of New South Wales in Sydney for a pathways excursion.

Our students spent the day exploring where studying mathematics at university and UNSW can take you.

They heard from a range of inspiring women who are studying or working in mathematics-based careers and about exciting opportunities for scholarships at the university to support young women.

Students were able to experience what UNSW was really like and were given a tour of the campus, including seeing all the fantastic facilities available to students.

The girls were able to participate in a variety of fun and interesting activities getting them to think about the possibilities of where Mathematics can take your career and just how much it truly shapes our world.

Thank you for a wonderful day Year 12 and UNSW!

Sarah Milne

ANIMATION WORKSHOP AT GOSFORD GALLERY

A group of Stage 5 Visual Arts Students attended an excursion to the Gosford Regional Gallery for a wonderful hands-on workshop on Thursday 22 June, introducing students to stop motion drawing animation.

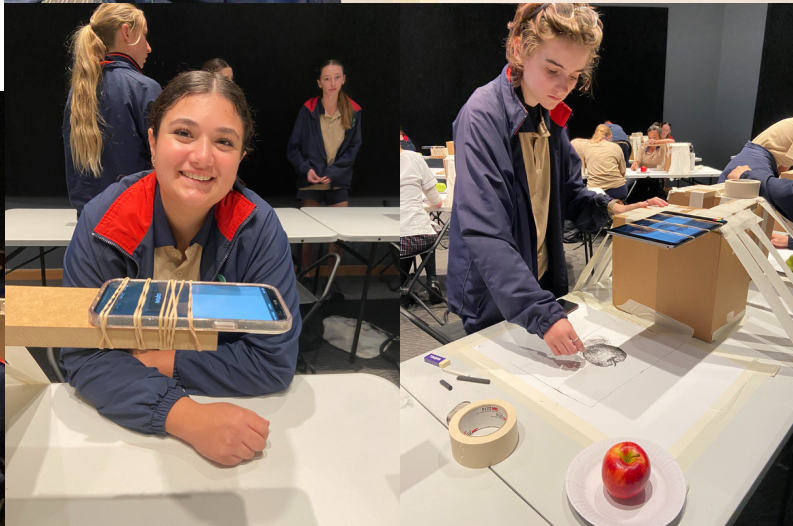

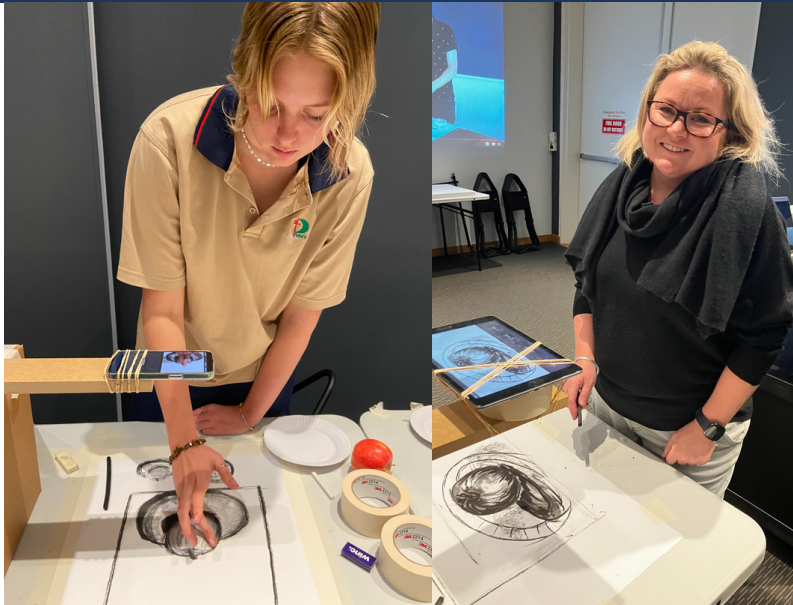

The experience related to the current William Kentridge Art Exhibition and the work of contemporary artist Todd Fuller.

Students set up an incredibly sturdy camera rig. These were securely taped to the benches to minimise movement whilst they captured their images. They then engaged with creating a stop motion animated drawing of an apple or a pear, that was then consumed and transformed into something new. This required very careful observational drawing, the consumption of an apple and the ability to alter their drawing a minimum of 300 times. The results were fantastic!

Other creative activities in Visual Arts have involved the exploration of mark making. Students made a variety of mark making tools from sticks, leaves and feathers collected from the school grounds. They put them to the test to explore the use of expressive line using ink and charcoal on large pieces of paper.

It was very enjoyable to work outside with new materials and see our students immersed in a new experience.

Nicola Oram & Amanda Purnell

TECHNOLOGY & APPLIED STUDIES

The first semester has been a very busy one in the TAS department. As usual, students across the stages and subject areas have created some amazing projects and engaged in a wide range of 'design thinking' activities.

In Stage 4, students have applied the knowledge and skills learned across the four context areas, to a diverse selection of practical activities in Food/Agriculture, Digital Technologies, Materials Technologies and the Engineering Systems courses.

From the Sphero Robotics challenge in Digital Technologies to the Pizzeria Café and the Timber Planter Box in the Food/Agriculture class, or the CO² Dragster, Computer Aided Drafting (CAD) and 3D printing tasks in Engineering class, students have continued the 'taster' process that underpins Mandatory Technology in Stage 4.

Students in Stage 5 are almost halfway through the first rollout of the 100 hour courses. Teachers, across the subject area, have developed new and exciting courses to deliver to our Year 9 and 10 students.

From Timber, Textiles, Building Construction, Graphics and Metal Technologies to Food Technology and Information and Software Technology; students have designed, measured, drawn, cut, bent, folded, joined, sewed, weighed, mixed, and cooked their way through some engaging and challenging teaching and learning activities.

Stage 6 students have been busy working their way through the senior subject areas and are fast approaching the trial examination period of the courses. Our Industrial Technology Timber and Graphics students and the Textiles and Design students are heavily focussed on the completion of their Major Projects and their Design Folios. This is always a massive undertaking and such a fine achievement when finished. Our IPT, SDD and Food Technology students are building on their knowledge and understanding of course content as they prepare for the upcoming trial examinations.

A big thankyou to all the TAS staff and our students for a very productive Semester 1. We are looking forward to more exciting and innovative teaching and learning activities in the second half of the year. Good luck to our Year 12 students as they approach a very important phase of their educational journey.

Mick Wellings

BATTLE OF THE CHEFS CHAMPIONS IN 2023!

CONGRATULATIONS to Year 12 students, Anthony I, Emily B and Elizabeth P, our BATTLE OF THE CHEFS 2023 WINNING TEAM!

The Battle of the Chefs Competition was held in our Trade Training Centre with seven schools participating. Students competed in teams of 3 and completed a main course (mystery box) and dessert (set menu item).

Our amazing students won FIRST place, followed by Brigidine College and Mater Maria Catholic College in third. Judging was undertaken by two NSW TAFE teachers who were impressed by the maturity and high standards displayed by students.

HUGE thank you to our talented and dedicated teachers Mrs Amy Taylor and Mrs Katherine Gregory and to also to our kitchen assistant Mrs Debbie Moore for the outstanding work you do in the kitchen. It was a great day and a wonderful opportunity for all students to demonstrate the skills they have developed whilst completing the VET Hospitality Kitchen Operations senior course.

2024 onwards: Changes have been made to the current system of classifying HSC courses as Category A or Category B. Vocational Education and Training (VET) classification has been abolished so more VET courses can contribute to a student's ATAR. This is great news for VET as it opens up even more opportunities to utilise the talent and skill that so many of our students display.

Once again, congratulations to our WINNERS of the Catholic Schools Broken Bay Battle of the Chefs 2023 Competition!

Taryn Clarke

SEMESTER 1 HAS BEEN A FULL ON SPORT-FEST

Semester 1 really has been an amazing one for our representative sports people and teams. As our College continues to grow and thrive, as does our sports programs both internally and externally.

Under the guidance of both Mr Duncan Little and Mr Jacob Hawkins, we have seen wonderful results filtering through from diocesan, all schools and state levels.

Congratulations to our sports people on an amazing 6 months, you have all worked hard to pursue your excellence whilst showing your coaches, teachers and competitors respect and care. Well done.

Broken Bay Selections

A massive congratulations to the following students who have been selected to represent Broken Bay in Rugby League in the under 16 girls team:

- Ainsley M (Year 10)
- Brooklyn L (Year 10)
- Shayla W (Year 10)
- Eloise L (Year 9)

With Emily N (Year 10), Lara R (Year 9) and Jade E (Year 10) named as shadows.

Congratulations also to the following students who have been selected to represent Broken Bay in the Open Girls Netball:

- Jayda G (Year 11)
- Ella Jessen (Year 11)
- Eden M (Year 12)

Well done girls!

College Representation

Recently our school competed in the Open Girls State Finals for AFL. Our open girls finished 3rd in the State!

We also had five (5) teams represent the College in the Central Coast All Schools Oztag competition. It was a wonderful day and the winter weather was favourable for us, with 4 out of the 5 teams making the finals.

A big congratulations to the Year 7/8 Girls team who will be progressing through to the state finals and who also finished 3rd overall in the Central Coast/Hunter All Schools Touch Football knockout a couple weeks earlier and were amazing, just missing out on progressing to the state finals.

A decision has been made that we will not be sending a team to compete in the state finals for the Under 14 Boys Rugby League in Coffs Harbour. This decision has been made due to the poor behaviour of a number of the members of this team.

This is a massive disappointment for the boys that do turn up and do their best every day, but this was the decision that had to be made to show that poor behaviour will not be tolerated at our College. Mr Hawkins and Mr Little will be organising an event later in the year for those boys that have been unfairly affected.

Again, thank you to all the students, parents, carers, industry partners and staff that have contributed to both the internal and external sporting programs over the last 6 months!

Enjoy your break and see you for another exciting 6 second semester of sport!

Duncan Little & Jacob Hawkins

INTERSCHOOLS CHESS COMPETITION - HEATS!

We are delighted to share some news about the recent success of 15 students from years 7-12 who participated in the individual chess tournament held at Central Coast Grammar School this week. Their exceptional skills and dedication have brought both pride and recognition to our College.

The tournament, gathered chess enthusiasts from various selective schools across the region. Our students have been rigorously training and preparing for this event all term and the hard work paid off with some convincing game wins which was a delight to witness!

Our students showcased exemplary performance and secured outstanding results in this individual competition. Well done to all who attended this exciting day!

MARY MAC'S
PLACE

**PROUDLY SUPPORTING THE
WORK OF MARY MAC'S PLACE**

Join us for the ultimate celebration of creativity and talent at Catholic Schools Broken Bay's highly anticipated competition. Open to all students from Kindergarten to Year 10, this event features five exciting categories, including visual arts, dance, drama, music, and short film. Finalists will have the opportunity to perform or display their work at a special 'Showcase' performance evening, with industry performers and judges in attendance. Don't miss out on this incredible chance to showcase your creative talent!

- Stage 1 - Competition closes 18 August 2023.
- Stage 2 - Finalists judging 7 September 2023.
- Stage 3 - Finalists showcase evening 24th October 2023.

Register your interest at your school and mark the important dates on your calendar. Get ready to make your mark in the world of art and entertainment!

CATHOLIC SCHOOLS
Broken Bay

CATHOLIC
DIOCESE OF
BROKEN BAY

Work With Us

The Wyong Catholic Parish is seeking to recruit a permanent part-time Parish Secretary, working 3 days per week. There is a preference for Wednesdays and Fridays to be two of the working days with flexibility on remaining days in relation to hours worked.

This role plays an important part in the Parish team, providing support for Parish communications, administration, financial processes, Parish property, compliance and Diocesan support.

The ideal candidate will have a comprehensive knowledge of office administration processes and procedures and a sound understanding of Microsoft Office Suite, MYOB, bookkeeping or accounting practices.

As you will often be the first point of contact for our parish, well-developed communication and interpersonal skills are crucial.

If you have high developed administration skills coupled with well-developed relational and rapport building skills and this role interests you, please email a brief cover letter and CV to wyongparish@bbcatholic.org.au

Applications close Wednesday, 12 July 2023

The Diocese of Broken Bay is committed to and promotes a culture of safety and care for all people, especially for children and others in the community who are vulnerable. Our Diocese has no tolerance to Child Abuse and is committed to ensuring our staff and volunteers understand the joint responsibility to safeguard all those within our community.

The successful applicant must have the right to work in Australia and will be required to undertake pre-screening which may include a National Police History Check and/or Working With Children Check.

ROLE: PARISH SECRETARY

BASIS: Permanent Part Time
3 days per week
Wednesdays and Fridays with flexibility on remaining days.

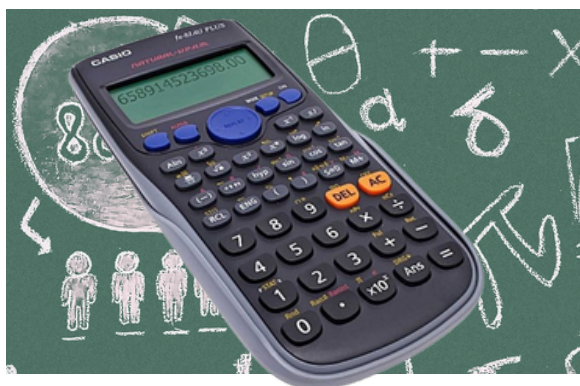

ESSENTIAL CRITERIA: Comprehensive knowledge of office administration processes and procedures and a sound understanding of Microsoft Office Suite, MYOB, bookkeeping or accounting practices.

The successful applicant must have the right to work in Australia and will be required to undertake pre-screening which may include a National Police History Check and/or Working With Children Check.

HOW TO APPLY: Email cover letter and CV to wyongparish@bbcatholic.org.au

CLOSING DATE: Applications close Wednesday 12 July 2023

MATHS HELP EVERY TUESDAY

Maths support is available every Tuesday during Break 1 in the Explore Zone of the Library.

If your child is struggling with concepts or particular topics we encourage them to come along and discuss with Ms Mitchell and her team of Maths whizzes.

Calculators are also available for daily hire from the College Library, for more information please see Ms Skarstein & the Library Staff.

Leader of Learning - Mathematics

TUNING IN TO TEENS

Parenting Program

St Peter's Catholic College is offering a program that aims to help you and your adolescent manage the many emotional challenges of this stage of life. "Tuning In To Teens" is a six-week parenting program run once a week for two hours.

The program will teach you how to manage your own and adolescent's emotions in way that will help you to remain close and keep communicating. By learning these skills, you are less likely to have as much conflict within your family and your teen is more likely to talk to you about the challenging issues they face. These are factors that have been found to reduce the risk of mental health and substance abuse problems.

Our face-to-face Tuning In To Teens program will run in Term 3 for 6 weeks from Thursday 20 July to Thursday 31 August 10am to 12pm on the College campus. Limited places are available, priority will be given to those parents that register first. Please note that to get the most benefit out of the program, we recommend you commit to attend each week. If this is not possible for you at this point in time, we would appreciate if you could consider registering for a program at the later date.

Please register your interest for the Term 3 Tuning into Teens program by email to stpeters@dbb.catholic.edu.au. For more information, please School Counsellors on 7256 2125.
