EMPOWERING YOUTH IN THE DIGITAL AGE: UNDERSTANDING & ADOLESCENT GAMBLING

Dear Parents, Carers, Staff and Students

There are so many distractions that our young people must manage in their lives and recently there has been more frequent reports of young people engaging in online gambling. While we are not seeing too many issues arising at school relating to gambling, it is important for us, as adults, that we are aware of the temptations that our young people must navigate each day and equipped to support them in these areas.

The digital era has made gambling more accessible, and certain factors are elevating the risk of problematic gambling among young people. A new grey area is emerging, with smartphones at their fingertips blurring the boundaries between gambling and entertainment, especially within the realms of video games and social media. The current generation of young people are growing up in an unprecedented time and research highlights that a significant percentage of adolescents are involved in gambling activities.

Reports of young people gambling are frequent with many experiencing adverse consequences such as diminished academic performance and strained relationships. Today's youth are growing up in a digital age characterised by constant connectivity, and the gambling industry has evolved significantly during their formative years.

Simulated gambling, such as in video games, can further increase the likelihood of teenagers transitioning to real-money gambling and developing future gambling-related problems.

It's crucial to foster open discussions about positive media choices to help children navigate through responsible online gaming and gambling. By encouraging a balanced approach to screen time and promoting alternative activities, will help set some clear boundaries to avoid potential gambling-related issues.

SchoolTV have released a special report providing guidance on how to empower young people to make responsible choices in this digital age. Can I encourage you to view this report and take a moment to reflect on the information offered. If this report arises any concerns for you or the wellbeing of your child, please consider seeking medical or professional help.

EVANGELISATION & CATECHESIS

St Cecilia's Reliquary

On the auspicious day of November 26th, I, alongside Mr. Little, and Jo Helm, had the distinct privilege of being accompanied by Chloe M., the School Captain of SPCC, to the solemn Mass held at St. Cecilia's Church in Wyong. This significant occasion marked the Official Launch and the reverential process of installing a Relic of St. Cecilia within the sacred confines of the Church.

The inception of this momentous journey dates back to May 2023, when Fr. Raul initiated the intricate process by seeking the discernment of authenticity from Bishop Anthony. This inquiry was a pivotal step in ensuring the sanctity and reverence befitting the Relic of St. Cecilia, a cherished emblem of spiritual significance.

Our presence at this sacred ceremony was not only a testament to the deep-rooted connection between SPCC and the broader community but also a reflection of our collective commitment to preserving and honouring the rich traditions embedded in the fabric of St. Cecilia's Church. As witnesses to the unfolding of this sacred event, we felt a profound sense of honour and gratitude for being entrusted with the responsibility of participating in the installation of such a revered relic.

The journey from the initial inquiry to the culminating Mass showcased the harmonious collaboration between the clergy, school leadership, and the wider community. It was a manifestation of unity, faith, and a shared commitment to upholding the spiritual heritage that St. Cecilia's Church embodies.

St Cecilia

St. Cecilia is recognised as the patroness of music and musicians and holds a special place in the hearts of Catholics around the world. Her life, steeped in devotion to God and a belief that she heard heavenly music during moments of intense prayer, has made her a revered figure in the Catholic Church.

St. Cecilia lived during the third century in Rome, a period marked by religious persecution under the Roman Emperor Marcus Aurelius. Born into a noble Roman family, she was known for her deep Christian faith from a young age. Despite her arranged marriage to a pagan named Valerian, Cecilia maintained her commitment to her Christian beliefs.

One of the most well-known stories about St. Cecilia centres around her marriage to Valerian. According to legend, on her wedding day, Cecilia sang in her heart to God, expressing her desire to remain chaste. She is said to have experienced a profound spiritual connection with God, which even the music of the instruments and the voices of the musicians could not drown out. It is this legend that has led to her association with music and musicians.

St. Cecilia's unwavering faith in the face of persecution eventually led to her martyrdom. After converting her husband Valerian and his brother Tiburtius to Christianity, they were all arrested for their beliefs. Despite attempts to execute her, including suffocation in her own home, Cecilia miraculously survived.

Eventually, she was beheaded, and her death marked her entry into sainthood. The Catholic Church celebrates the feast day of St. Cecilia on November 22nd. On this day, believers honour her life, martyrdom, and the contributions she made to the Christian faith. St. Cecilia's legacy in the Catholic Church endures through her association with music, unwavering faith, and martyrdom. As the patroness of musicians, she continues to inspire artists to use their talents in the service of God. Her life serves as a testament to the enduring power of faith and the transformative nature of devotion to God in the face of adversity. St. Cecilia remains an iconic figure, weaving together the realms of spirituality and artistic expression in the Catholic tradition.

Fr Raul and Fr Alex – 25th Anniversary as Clergy

Following the Mass, we gathered to honour Fr. Raul and Fr. Alex for their 25 years in the clergy. Their humble service has enriched our community's faith and practice. Grateful for their wisdom and compassion, we recognise their lasting impact on our spiritual lives. Here's to 25 years of exemplary leadership, and may their journey ahead be filled with continued grace and joy.

Prayer to Saint Cecilia

O glorious Saint Cecilia,
Virgin and martyr,
you won the martyr's crown
without renouncing your love for
Jesus, the delight of your soul.
We ask that you help us
to be faithful in our love for Jesus,
that, in the communion
of the Saints, we praise Him twice
in our song of rejoicing
for the Blood He shed which gave
us the grace to accomplish
His will on earth.

Amen

In Christ's love

STAGE 4 NEWS - YEAR 7 STUDENT REFLECTIONS

Year 7

Welcome to Week 8! Countdown to the end of Year 7! You made it! In Term 1 Alice P wrote a reflection of her first term as a new student in Year 7 and now we look at how she has seen the year out.

Alice P - Year 7

"Hi, I'm Alice P, I wrote a newsletter at the start of the year about the Year 7 experience, and I'm back! As I'm writing this, it is Week 6 in Term 4 of Year 7. I am definitely settled in now. I've found different friends, the struggles I had at the start of the year start to fade away, and I've adopted different focusses... I can't wait for the holidays, to have a break. At the start of Year 7, it's exciting, new, and happy. I started to feel less excited in Term 3, as I was tired and ready for a long, well-deserved break. Coming into Term 4, a different mindset was created. One that tries their best, studies, and stays happy and fun..... The school musical is coming up, and I'm an ensemble, and I'm so excited to get to rehearsing! Overall Year 7 has been a pretty good year, I've made new friends, took opportunities, and made lots of word docs. I can't wait to be in Year 8! Anyway, 2023 was an overall good year! I hope you've enjoyed reading about my Year 7 experience and happy holidays!"

Year 8

Meet Bodi B, an outstanding swimmer from Benedict House whose achievements speak volumes about his talent and dedication. Here's a glimpse into his remarkable journey:

- Local Success: Bodi emerged as the Age Champion at St. Peter's and excelled at the

Broken Bay swim meet, securing several first-place finishes in various categories.

- Podium Finishes: He played a pivotal role as an anchor in relay events, clinching third place in both boys' 12-14 and open 6 x 50m Free relays.
- State and National Recognition: Bodi's prowess extends to state and national levels, with impressive victories at NSWCCC, NSW All Schools, School Sport Australian Age Championships, Broken Bay Surf Carnival, and National Age Championships, where he competed against older opponents despite a recent injury.
- Surf Life Saving Achievements: Not only a force in swimming pools, but Bodi also shone in surf events, claiming top positions at various competitions including Surf Life Saving NSW State and Aussies Surf Life Saving.
- Upcoming Endeavors: Selected to represent Hunter Branch, Bodi is gearing up for the SLS Interbranch Championships in December.

We applaud Bodi for his outstanding achievements and eagerly anticipate his future successes.

In other news, as the year draws to a close, it's a great time to express gratitude to our dedicated teachers. Remember, the hours spent in class represent a significant portion of your year—approximately 120 hours per subject. Your engagement and pursuit of academic excellence are commendable—keep up the fantastic work!

A big thank you to all students for adhering to school policies. Let's continue to maintain respectful behaviour and uphold uniform standards. For those learning the ropes, we hope they grow to embrace school policies as they mature.

Until next time, stay safe and keep thriving!

UNVEILING THE MAGIC OF "FREAKY FRIDAY" - THE 2024 COLLEGE MUSICAL BEGINS REHEARSALS!

The excitement is palpable as rehearsals for our much-anticipated 2024 College Musical, "Freaky Friday," have officially kicked off! The first Friday afternoon was an electrifying start to this fantastic journey.

Led by Viveca, our incredibly talented Creative Arts Captain, the session commenced with a rejuvenating warm-up and stretch routine. This helped everyone ease into the creative space and set the tone for what promises to be an unforgettable musical experience.

Under the guidance of the phenomenal duo, Miss Heywood and Miss Nakhoul, the cast delved into learning the choreography for the show's opening number, "Just One Day." The energy was infectious as students immersed themselves in mastering the dance moves, setting the stage for an exhilarating performance.

As the afternoon progressed, the leads and minor leads stepped into character, exploring the depths of their roles by engaging in a read-through of their lines. This provided a glimpse into the personalities they will bring to life on stage, fostering a deeper connection with their respective characters.

What truly made the day special was the sense of camaraderie that blossomed among the cast and crew. New friendships were formed, laughter echoed through the halls, and the spirit of collaboration filled the room. It was evident that this musical isn't just about the performance but also about the incredible journey of teamwork and unity.

Looking ahead, the excitement continues to build as we eagerly anticipate the vocal rehearsal scheduled for Tuesday's break 1. This rehearsal will undoubtedly bring the musical's melodies and harmonies to life, adding another layer of brilliance to our production. "Freaky Friday" isn't just a musical; it's a celebration of talent, dedication, and the magic of theatre. Each rehearsal brings us one step closer to creating an enchanting experience for our audience.

Stay tuned for more updates as our talented students continue to bring this beloved story to life on stage. Let's rally together and support these budding stars as they embark on this remarkable theatrical journey.
