TRANSFORMING EDUCATION: THE VISION BEHIND EILEEN O'CONNOR SCHOOL

Dear Parents, Carers, Staff and Students

Our Bishop, Most Rev Anthony Randazzo, has been committed to ensuring that Catholic Schools Broken Bay provides an inclusive model of education which caters for all students with a disability. In response to this commitment Catholic Schools Broken Bay is transforming inclusive education by establishing a new school, Eileen O'Connor School.

Eileen O'Connor School (EOS) will provide a flexible and responsive model of education for students with disability through the structure of a Base School and a network of Support Classes in local parish schools. Transition between the Base School and Support Classes, or Support Classes and local parish school enrolment is facilitated.

The Eileen O'Connor school base school will be constructed on our site here at Tuggerah. The base school will be a K – 12 school where educators and allied health professional work collaboratively to provide resources and service that will help our children with disabilities flourish. The base school will have capacity for up to 200 students and will feature small adult to student ratios. It will have 20 general Learning areas catering for 2 streams of primary school classes and a single stream of secondary. The site will host flexible workspaces for Kitchen, technologies and Visual Arts as well as a state of the art library. Sensory indoor and outdoor play spaces and complimentary learning spaces will provide the support best needed to cater for the needs of the students who attend the school.

Building works are scheduled to begin on our site in 2025 with the first enrolments of the base school commencing in 2027 with Year 1, Year 2 and Year 7 students.

This is an exciting project for our system and will provide quality learning for students with a disability as well as supporting our families in an inclusive model that will enable the participation and success of all learnings.

If you would like more information about the Eileen O'Connor school please use the QR code or the CSBB website <https://csbb.catholic.edu.au/our-strategy/eileenconnor/>

Tim Hildebrandt
Principal

Eileen O'Connor School
represents a key
NSW education
initiative.

THE NEED

WE KNOW...

- Raising a child with a disability can significantly impact many aspects of family life.
- Searching for the ideal school for a child with a disability can leave parents feeling overwhelmed.
- Parents deserve the right to choose the most appropriate educational setting for their child.
- 1 in 12 school-aged children have a disability.
- Disability diagnoses among school students is increasing.
- 60,000 more children will be attending schools in NSW over the next decade.
- Demand for disability support is growing at 4 times the rate of enrolment.
- Successful transition between support and mainstream classrooms is reliant on building teacher capacity in specialised and inclusive education.

WE BELIEVE...

- All children have the right to quality education regardless of financial means.
- Children must be at the centre of decision-making.
- Education systems have a moral imperative to provide disability supports within an **inclusive model of education to enable the participation and success of all learners.**
- Large school systems should not continue outsourcing this responsibility to small scale providers.
- Effective and respectful partnerships between schools, parents and carers, and allied health professionals best supports students' engagement in an inclusive environment and curriculum.
- Streamlining education and therapy support and services places the child at the centre.

TRANSFORMING THE APPROACH

Catholic Schools Broken Bay (CSBB) is transforming quality, inclusive education for students with a disability by:

- **Building staff capacity** across the region to meet the needs of students with disability in mainstream classrooms.
- **Establishing a network of Eileen O'Connor Support Classes** across the region in existing CSBB Primary and Secondary schools, offering:
 - Small class sizes with skilled teacher and teaching assistant teams, typically 1:3 and no more than 1:4 ratio.
 - Opportunities for students to generalise their learnt skills in mainstream environments.
 - Opportunities for students to participate in school events and activities with their age-peers.
- **Building a K-12 Eileen O'Connor Base School** using land located within St Peter's Tuggerah - in the Central Coast region of the Diocese of Broken Bay, where educators and allied health professionals work collaboratively to provide resources and services that will help our children with disabilities flourish.

Eileen O'Connor School will provide an **inclusive model of education in action** - in purpose-built facilities - focusing on student strengths and high expectations for learning growth. Learning will be tailored to individual differences through systematic delivery of contemporary innovative curriculum to meet the needs of students with disability.

The establishment of Eileen O'Connor Base School and Support Classes will broaden

CSBB facilities and support for students with disability, affording parents with enrolment options tailored to the specific needs of their children.

Creating a **flexible and responsive model of education for students with disability** through the structure of the Eileen O'Connor School as a Base School and network of Support Classes in mainstream setting will:

- Provide appropriate resources and opportunities throughout a child's school journey.
- Provide opportunities for transition between Base and Support Classes, or Support Classes and mainstream classes.
- Allow greater accessibility to specialist services provided by the Base School for students across the region.
- Promote dissemination of pedagogy, staff expertise and curriculum delivery strategies developed by the Eileen O'Connor Base School across a broader teaching community in CSBB schools.
- Offer tailored adult: student ratios allowing for individualised instruction at students' point of need.
- Create smaller class sizes to provide safe, responsive learning environments.

Eileen O'Connor School will promote inclusive practices according to the Disability Discrimination Act (1992) and the Disability Standards for Education (2005). Placement in Eileen O'Connor Base School and Support Classes will be based on set criterion that will allow for flexibility to target the functional impact of the disability.

**Where education and therapy
come together to ensure positive
student growth**

EILEEN O'CONNOR BASE SCHOOL

A concept design and fly-through for Eileen O'Connor Base School has been created by Stanton Dahl Architects and includes:

- Capacity for 200 students.
- Small adult : student ratios (specialist teacher and teaching assistant teams).
- 20 General Learning Areas catering for 2 streams of Kindergarten - Year 6 and a single stream Years 7-12.
- Flexible workspaces for Kitchen, TAS/STEAM, Visual Arts.
- State of the art Library.
- Sensory indoor and outdoor play spaces.
- Complimentary learning spaces to

- support collaboration with allied health professionals for tailored interventions and in-class support.
- Amenities, storerooms and staffroom.
- Co-located on CSBB owned land alongside St Peter's Catholic College, Tuggerah.

Subject to funding, the Eileen O'Connor Base School will be constructed in 2 stages across 3 years.

- First enrolments will begin in 2027 with Kindergarten, Year 1, Year 2 and Year 7 students.
- The school will be at capacity by 2032.

Eileen
O'Connor
School

WHY DO WE NEED A PURPOSE-BUILT FACILITY?

60,000

more children will be in NSW schools over the next decade.

1 in 12

school-aged children have a disability.

4 x

demand for disability support is growing at four times the rate of enrolment.

EVANGELISATION & CATECHESIS

Unwrap the Joy of Giving: Join Our Christmas Appeal for Mary Mac's Place!

As the festive season approaches, our hearts are brimming with warmth and goodwill. It's the time of year when we come together to celebrate the spirit of giving and extend a helping hand to those in need. This Christmas, we are excited to launch our annual appeal for Mary Mac's, a cause that resonates deeply with our mission to spread compassion and support within our community.

A Season of Hope and Generosity

[Mary Mac's Place](#) has been a pillar of hope for countless individuals facing challenges, providing essential services and a sense of belonging to those who need it most. This holiday season, we invite you to be a part of something truly special by contributing to our Christmas appeal. Together, we can make a meaningful impact and ensure that the spirit of Christmas reaches every corner of our community.

How You Can Make a Difference

1. Donate Generously: Your financial contributions go a long way in supporting Mary Mac's initiatives. Whether it's providing warm meals, shelter, or essential supplies, every dollar you donate helps brighten someone's holiday season. For \$6 you can [Shout a Mate a Plate](#).
2. Donate in your Homeroom: This Christmas, consider giving the gift of basic needs. People need non-perishable staples, hygiene products, pet food and school supplies. Your commitment can make a world of difference.
3. Spread the Word: Share our Christmas appeal with friends, family, and colleagues. The more people who know about Mary Mac's Place and their mission, the greater the impact we can achieve together.

The Impact of Your Support

Your support this Christmas will directly contribute to:

- Providing nourishing meals to those experiencing homelessness.
- Offering warm shelter and comfort during the winter months.
- Helping families escape domestic violence.
- Medical support, legal aid, and rent assistance.

Join Us in Spreading Joy

As we count our blessings and embrace the holiday spirit, let's extend the joy to those who may be facing challenges this season. Join us in supporting Mary Mac's Place and make this Christmas a time of love, compassion, and unity.

Together, we can make this holiday season brighter for everyone.

Wishing you a Merry Christmas and a joyous season of giving!

In Christ's love

Candice Little and Owen
Acting Assistant Principal - Evangelisation & Catechesis

CATHOLIC
DIOCESE OF
BROKEN BAY

St Cecilia Relic

As a College, St Peter's is lucky enough to have contact with two local Parishes - Wyong and The Entrance. Wyong Parish have been blessed with the gift of an extremely important and rare relic by a relative of the Parish.

Over the next twelve months a Parish Committee will be working to prepare a Reliquary for our relic of St Cecilia. The final step in this process will culminate on 22 November 2024.

Why is this process so important?

It is very important everyone understands the significance of this process. Three questions need to be answered to help in this understanding.

1. *What is a Relic?* A relic is the tangible remains of a saint, or any object that has been in contact with the saint.
2. *What is a Reliquary?* A reliquary is the container that stores and displays the relic.
3. *Why do we venerate relics?* Relics are physical, tangible, and concrete reminders that heaven is obtainable for us. We express gratitude to God for those members of our spiritual family as we recall their holy lives, ask for their intercession, and pray to achieve what they have achieved—eternity with God in Heaven.

What is the St Cecilia Relic?

Our relic of St Cecilia is described as sacred pearls from the veil of blood and its authenticity has been signed and sealed. The relic was donated to the parish by a parishioner's relative who visited St. Cecilia's, Wyong for her weekend Mass when she was in the area.

Why is our Church named in honour of St Cecilia?

Our Church was named in memory of Cecilia Ann Woodbury.

Cecilia was a young woman who was highly respected in the town of Wyong in its early days. She raised much of the money necessary for the building of the church but died at the young age of 33, on 27 April 1905.

What will be happening in our parish over the next month?

The Church bulletins for the next three weeks will record the life St Cecilia and at the **9:30 am** Mass on **Sunday 26 November**, the official launch of our journey will commence. We would like to extend an invitation to all St Peter's families and community to attend the Mass to commemorate the beginning of such an exciting journey.

STAGE 4 NEWS - EMBRACING THE CULMINATION OF YEAR 7

As we stand on the threshold of the final weeks of the academic year, it's incredible to reflect on the journey we've undertaken together in Year 7. From the tentative steps of the newcomers, you have not only acclimated but thrived, forming bonds that may very well last a lifetime. It's a testament to the supportive and nurturing environment here at St. Peter's.

Term 4 has been a whirlwind of activity, marked by the completion of numerous assessments in preparation for the forthcoming final reports. Our students have truly been under the pump, diligently wrapping up assignments and showcasing their dedication to academic excellence.

To our remarkable students, we urge you to persevere and submit any outstanding assignments promptly. Your commitment ensures that our dedicated staff can thoroughly assess your progress, placing you in the most fitting classes for the upcoming year.

A special note of appreciation goes out to those students who wear their uniforms with pride,

adhering to the school's guidelines with regard to grooming and accessories. Your conscientiousness does not go unnoticed; it not only reflects positively on you but also contributes to a smoother functioning of our daily routines. The staff sincerely appreciates your cooperation, allowing them more time to focus on constructive tasks that ultimately contribute to a positive and productive learning environment.

As we approach the culmination of the year, take a moment to express gratitude to the teachers who have been instrumental in your academic journey. Consider that, in some subjects, you've spent approximately 120 hours under their guidance this year. A simple acknowledgment can go a long way in recognizing their dedication and hard work.

We extend our heartfelt congratulations to each student for your active engagement in class and your relentless pursuit of academic excellence. Your work ethic has not gone unnoticed, and we encourage you to carry this spirit forward into the coming years.

As we bid farewell to this academic chapter, we look forward to the next with anticipation. Until we meet again, stay safe, cherish your achievements, and savour the memories you've created.

Until next time, stay safe!

Tony Grosnan & Sue Briggs
Leaders of Wellbeing - Year 7

STAGE 5 NEWS - NAVIGATING THE MID-TERM HUSTLE

As we find ourselves in the heart of Week 6, the energetic buzz of Term 4 surrounds us. With the finish line of this academic journey in sight, we are urging each of you to persevere, continue embracing your strengths, and stride purposefully toward a well-deserved break.

This is not the time to lower our standards or ease into holiday mode prematurely. There's still a wealth of knowledge to absorb and skills to hone in these final weeks. Let's channel our collective energy into maintaining the positive momentum that has defined our school year thus far. Your hard work and dedication have been commendable, and we encourage you to uphold this spirit until the last bell rings.

Remember, your teachers are diligently crafting your reports, capturing the essence of your academic journey and personal growth. Your behaviour and commitment to your studies will undoubtedly shine through, so let's continue to put forth our best efforts.

In the spirit of celebrating achievements, we extend our heartfelt congratulations to some outstanding students who showcased remarkable skill and sportsmanship at the U/15's AFL State Finals a few weeks ago at Tuggerah Sporting Fields.

They represented our school with pride and determination, securing an impressive 5th place in a play-off against Endeavour Sports High.

Congratulations to Luke A, Dylan B, Killian B, Tadhg C, Kobi C, Ryan C, Liam D, Jack D, Cody G, Cruz HD, Brady M, Nate M, and Nate W for their colossal effort and outstanding performance! Your achievements exemplify the values of dedication, teamwork, and resilience that we hold dear at St Peter's Catholic College.

As we navigate the midpoint of the term, we understand the mounting pressures—assessments, sports commitments, and the daily challenges of life. It's essential to manage what you can, and if the load ever feels too heavy, don't hesitate to seek assistance. Our Year Co office doors are always open, ready to offer guidance and support.

Additionally, our Wellbeing Hub is fully operational, providing a dedicated space for reflection and relaxation during these demanding times. In the spirit of collaboration and unity, let's approach the coming weeks with resilience, maintaining a focus on both academic achievement and personal well-being. Remember, you're not alone in this journey, and together, we can overcome any challenges that come our way.

Wishing you continued success and a positive mindset as we embark on the second half of Term 4!

Czesław Lawicki & Jessica Moroney
Leaders of Wellbeing - Year 9

YEAR 12 CELEBRATING UNFORGETTABLE MEMORIES AND BRIGHT HORIZONS AHEAD!

Last week, Year 12, in 2023, came together to celebrate the culmination of their educational journey with an unforgettable Formal at Magenta Shores. It was a night filled with elegance, as the entire year group donned their finest attire and shared one last magical evening as a united class. Laughter, camaraderie, and cherished memories were the highlights of the night.

The dance floor came alive with our classmates showcasing their moves and letting their hair down. Special recognition goes out to the exceptionally talented performers among us, whose talents perhaps should have been discovered earlier in our schooling journey during Stage 5!

We want to take this moment to express our heartfelt gratitude to Year 12 for being an integral part of our college community. You've brought vibrancy, enthusiasm, and individuality to our school, making it a more enriching place for everyone. As we bid farewell to our high school years, let us remember the lasting bonds we've formed, the lessons we've learned, and the tremendous potential we all carry within us. The future is bright, and your unique talents and aspirations will undoubtedly shape it in wonderful ways.

Congratulations, Year 12, on your remarkable journey, and here's to the bright horizons and promising futures that lie ahead. Thank you for being an essential part of our college's story.

Best wishes for all your future endeavours

Michelle O'Keeffe & Mitch Scott

Bring Your Own Device made easy

THINKING ABOUT UPGRADING YOUR CHILD'S DEVICE FOR 2024?

Thankfully, JB Hi-Fi Education's BYOD is as easy as pi(e).

JB Hi-Fi Education's BYOD is the no-nonsense way to ensure education-specific technology that's compatible with OUR students and OUR school.

What does that mean for our school community?

- Easy online selection and purchasing of all your child's school IT needs.
- Education pricing on school-ready devices and accessories.
- A choice of payment and delivery options.
- The support of a dedicated customer service team, six days a week.

**DON'T FORGET TO ADD ON EXTENDED

YEAR 12 ARTEXPRESS NOMINATION

It is with immense joy and pride that I share the exciting news of Eden M's HSC Body of Work, titled "Unhappy Man! Do you share my Madness?", being nominated for ArtExpress. This prestigious nomination marks a significant milestone in Eden's artistic journey and recognizes her outstanding talent and dedication.

ArtExpress stands as a beacon of excellence, curating a compelling exhibition that showcases the finest HSC Body of Works across various expressive forms. Eden's nomination signifies not only her exceptional skill but also her unique vision and creative expression.

Her body of work, adorned with captivating colored photorealism drawings, is a testament to her artistic prowess and commitment. Accompanying her artistry is a poignant and engaging video, a collaborative masterpiece brought to life with the expert audio crafted by the talented Luke Gallen. We extend our heartfelt gratitude to Luke for his invaluable contribution, which enriched the depth and impact of Eden's film.

As we await the final selections for ArtExpress, Eden's nomination itself is a resounding achievement. It highlights her dedication and the recognition her work has received from discerning markers. The anticipation is palpable, and we keep our fingers crossed, hoping to see Eden's exceptional creation featured among the chosen artworks.

Amanda Purnell & Nicky Oram
Visual Arts Teachers

YEAR 12 SHAPE NOMINATION

I would like to share that Zane C has been nominated for the Shape 2023 exhibition for his Industrial Technology Major Project.

Shape is an annual exhibition of exemplary Major Projects developed by HSC Design and Technology, Industrial Technology and Textiles and Design students.

Zane has produced one of the most impressive Major Projects to come out of St Peters in a long time. It is just reward for his methodical, detail focussed and solution-oriented approach to design.

Zane has demonstrated an ability and craftsmanship beyond his years and is to be congratulated for this great recognition.

In addition to the 'nomination', Zane has now been shortlisted for the exhibition and is now one step closer to being selected.

We wish him all the best in this process and congratulate him on such an outstanding personal achievement.

The exhibition will be held at Walsh Bay Arts Precinct in March 2024.

Leader of Learning - TAS

BUSINESS SERVICES STARS: ST PETER'S SHINE AT BATTLE OF THE BUSINESS ASSISTANTS COMP!

On Wednesday 8 November, the Caroline Chisholm Centre in Pennant Hills buzzed with energy as Business Services students Ava G and Kayla W showcased their exemplary skills at the Battle of the Business Assistants Competition. This event, a platform for testing administration, communication, and time management prowess, drew participation from numerous schools within the Diocese.

Ava and Kayla, representing St Peter's with pride, navigated a series of challenges that scrutinized their ability to collaborate effectively, engage in teamwork, and meet stringent deadlines. The competition pushed the boundaries of their computer literacy within a competitive yet convivial atmosphere, fostering an environment that emphasized both skill development and camaraderie among participants.

The duo exhibited remarkable adaptability and proficiency in handling various tasks thrown their way. Their adeptness in multitasking, swift decision-making, and strategic planning was evident as they worked through the day's challenges with finesse and confidence.

I would like to commend the girls exemplary performance, dedication, resilience, and ability to thrive under pressure. This competition not only honed their technical abilities but also instilled crucial life skills that will undoubtedly serve them well in their future endeavours.

WE look forward to next year's competition!

Carla Mc Nicol
VET Teacher

EMBARKING ON A SPIRITUAL JOURNEY: JOIN OUR RCIA PROGRAM WITH ST. PETER'S & WYONG PARISH

RITE OF CHRISTIAN INITIATION OF ADULTS

Dear Parents and Carers

I'm Clint Warren-Davey, the Religious Education teacher at St. Peter's Catholic College. I am thrilled to share that, with the support of Fr Raul, Fr Alex, Fr Teody, and Jo Helm, our Parent Engagement Coordinator, I will be spearheading the RCIA (Rite of Christian Initiation for Adults) program through Wyong Parish in 2023-24.

The RCIA program is designed for individuals who are curious about embracing Catholicism or for lapsed Catholics seeking to reconnect with their faith.

Throughout this journey, I'll delve into the fundamental doctrines of Catholicism, providing rational insights into the beliefs we hold dear. This is also an open forum for any questions you may have about the Faith – a safe space for exploration and understanding.

Commencing in November 2023 and concluding in March 2024, our sessions will take place every second Saturday at 3pm, hosted at St. Cecilia's Church in Wyong. The inaugural session is scheduled for 3pm on Saturday, 25 November.

Should you be intrigued or have any queries about the program, please feel free to reach out to me or Joanne Helm:

- Clint: clint.warrendavey@dbb.catholic.edu.au
- Joanne: joanne.helm@dbb.catholic.edu.au

May this opportunity be a gateway to a deeper understanding and connection with your faith.

Blessings

Clint Warren-Davey
